OVERVIEW

SPRING 2022

Welcome to 2022! To reduce complexity for the Spring season, especially with the uncertainty that Covid is bringing us, we have decided to table the Varsity/Club split for now. Matchmaking ranks will be used to seed the beginning of the season. The registration window will start on January 7 and close on January 27th at 11:59PM. Preseason will take place the week of January 31st and the regular season will go from February 7th to March 24th (7 weeks). Our games are as follows:

	Super Smash Bros Ultimate - Solos (1v1) Games should begin at 4pm on Tuesdays, but teams can communicate to have matches start later (up until 6pm) to accommodate players that share hardware.	SSBU REGISTRATION	SSBU RULES
	Rocket League - Trios (3v3) Games will begin at 4pm on Wednesdays.	ROCKET LEAGUE REGISTRATION	ROCKET LEAGUE RULES
	Overwatch - (6v6) Games will begin at 4pm on Thursdays.	OVERWATCH REGISTRATION	OVERWATCH RULES

Postseason: We will be limiting the number of players/teams allowed into the competitive postseason. For teams that do not qualify, but want additional games, we are working on creating a system like the Club playoffs from Fall, but that has not been completed yet. Dates and max number of qualifying teams are below:

Friday March 25: Super Smash Bros Ultimate

Top 32 players from Regular Season

Saturday March 26: Rocket League

Top 32 teams from Regular Season, Double elimination

Sunday March 27: Overwatch

Top 16 teams from Regular Season

Thank you to all new and returning MiHSEF teams. We have more events planned (not seasons) for the rest of the year and will notify you once those are set in stone! We really appreciate all of you being with us and look forward to a wonderful season with all of you!
